20) The question at issue is whether the terms of office of the Vice-President could be limited to one year instead of three years

21) Under Sec 23(12) of the Town Municipalities Act 1933 "the term of office of every president and of any Vice-president ceases on the expiry of his term of office as

councillor provided that in the case of elected president or vice-president or both Government may in special cases with the consent of the municipal council concerned direct that their term be limited to one year and that elections be held every year "

(a) The election of the vice-president is stated to have taken place at a special meeting held on 3rd May 1947 Some of the Members of the re-constituted municipal council are stated to have requested the president on 30th April 1947 to call for a special meeting of the council to discuss the question of electing a vice-president annually instead of once in three years

(b) Evidently this is a special meeting under Sec 27(2) of the Town Municipalities Act If the formalities prescribed under Sec 27(2) are observed, the resolution will be valid Whether or not the term of office be limited to one year is purely an administrative matter to be considered on merits with regard to local conditions

(c) At special meetings only such action can be taken as is specified or designated in the call for the meeting "Statutory provisions with respect to the calling of a special meeting are considered of a mandatory nature and have been deemed necessary in order to prevent hasty, ill-advised and ill-considered legislation The presumption exists that a special meeting was legally and regularly called" (vide LAW OF MUNICIPAL CORPORATIONS by P D Iyengar, page 138) The report of the President shows that the resolution was duly passed at the special meeting

(d) Regarding the initiative to be taken in the matter Sec 23(12) states that Government may direct with the

consent of the Municipal Councils concerned, i e , Government may also be moved to that effect though it is the Government that is the final authority to decide The Municipal Council does not, therefore, appear to be precluded from considering the topic In the circumstances, if it is considered, on the administrative side, to limit the term of office to one year, Government may decide it first and then the election of the Vice-President may be approved The Deputy Commissioner, however, opines that it is not necessary to limit the term to one year The initiative in the precedents cited has been taken by the Municipal Councils, the Deputy Commissioner recommending the proposals But in the present case the Deputy Commissioner has found it to be unnecessary

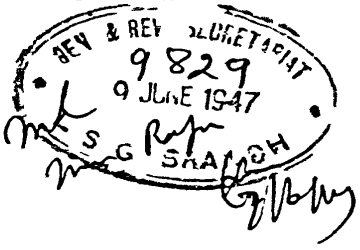
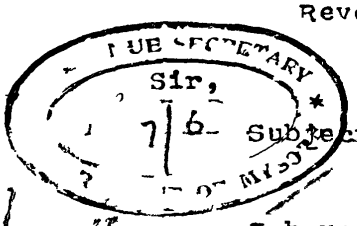
Office of the Deputy Commissioner, Kolar District
Kolar dated the 5th June 1947.



To

The Secretary to Government of Mysore,
Revenue Department, Bangalore.



Sir,

Subject:- Election of Vice President to Town Municipal Council, Bowringpet

I have the honour to state that the Municipal Council reconstituted in G O.No. L.13306-11-41-46-72 dated 2/4/47 met on 17/4/47 and expressed their desire to have an elected Vice President to their Municipal Council. The election of the Vice President was conducted on 3/5/47 at their Special Meeting and Mr S Rama Kumar who secured the largest number of votes in the final round was declared duly elected as Vice President.

2 Some of the members of the reconstituted municipal council requested the president in writing on 30/4/47 to call for a Special meeting of the Council to discuss the question of electing a Vice President annually instead of once in three years as is being done at present. The President called for a special meeting on 2/5/47 and the council at their meeting on the said date resolved to limit the term of the Vice Presidents office to one year and that election of the Vice President be held every year The Proceedings of the council in this behalf is enclosed

3 Under section 23(12) of the Town Municipalities Act, there is a provision that "the Government may in special cases, with the consent of the Municipal Councils concerned, direct that their term be limited to one year and that elections be held every year". It is under this rule that the municipal council have decided to elect a Vice President every year but it is clear that it is only Government who could take the intiative in this behalf and consult the municipal council, I think it is not necessary to limit the term of the Vice President's office to one year in this case I therefore, request you to kindly cause to notify the election of Mr S Ramakumar as Vice President of Bowringpet Town Municipal Council during the present reconstitution No objections have been received contesting the election of Mr. Rama Kumar as Vice President of this Municipal

[illegible] Council.

I have the honour to be,
Sir,
Your most obedient servant,

Sir,

Adverting to Government Notification No L 13306-M1-41-46-72 dated 2-4-47 sanctioning the reconstitution of the Bowringpet Town Municipal Council for a term of three years commencing from 1-4-47, I beg to state that the Municipal Council at their special meeting held on 17-4-47 unanimously resolved that it is necessary to have an elected non-official Vice-President to the Municipal Council per section 23 (1) of the Town Municipalities Act 1933

A calendar of events was published on 17-4-47 for conducting the election of the Vice President on 3-5-47, in accordance with the rules issued in Government Order No 8264-M1-25-34-1 dated 23/29-5-35. On 30-4-47 a resolution signed by nine Municipal Councillors was received in this Office requesting to call for a special general meeting of the Municipal Council for considering the question of electing a Vice-President to the Council annually instead of once in three years as at present, and that this resolution may come into force from April 47. As this resolution had to be decided before the election of Vice-President on 3-5-47, a Special meeting of the Municipal Council was urgently called for on 2-5-47 for considering the same. As the majority of the members present at the meeting were in favour of the resolution, it was resolved that the term of the Vice-President be limited to one year and that elections be held every year. Mr Kusuma Pampa Krishna Setty, Municipal Councillor, raised an objection to the effect that the resolution now brought forward is an amendment to the resolution passed on 17-4-47 and that it is to be discussed after expiry of three months. I ruled out the objection on the ground that the resolution re limiting the term of Vice President to one year is totally a new one and is

no bearing on the subject whether a V P is nec
otherwise to the Municipal Council

The election of a non-official Vice-President held at a special meeting of the Municipal Council convened on 3-5-47 Eleven candidates had been nominated to the Office of the Vice-President as noted below -

Messrs 1 A Mohamed Rahimuddin
2 M Inayet
3 B Syed Khaja Hussain Pasha
4 C N Hanumantha Rao
5 Musuma Rama Krishna Setty
6 I F Xavier
7 S Ramakumar
8 V A Ethirajalu Modaliar
9 Monaboob Khan
10 J M Soklyn
11 B V Munisami Gowda

The following candidates withdrew their candidatures before the commencement of the election by presenting applications -

Messrs 1 A Mohamed Rahimuddin
2 M Inayet
3 B Syed Khaja Hussain Pasha
4 J M Soklyn
5 B V Munisami Gowda

The remaining six candidates contested at the election All the councillors took part in the election except the Assistant Engineer, Public Works Department, Bowringpet who remained neutral and votes were recorded by ballot As there were more than two candidates, the one who obtained the fewest votes was eliminated and the procedure was repeated until two candidates were left In the last round, Mr S Ramakumar and Mr Mohaboob Khan secured eleven (11) and nine (9) votes respectively Mr S Ramakumar who got the higher number of votes was declared elected as the non-official Vice-President of the Bowringpet Town Municipality

A copy of the minutes of the proceeding of the special meeting of the Municipal Council held on 3-5-47, mentioning the names of the councillors present is enclosed, for kind reference I request that the resolution of the special

Dear Sir,

With reference to your D O letter No L 1295 Dated 21st July 1947 enquiring why it is not necessary to limit the period of the Office of the Vice President of Powringpet Town Municipal Council to one year, I write to state that at the special meeting of the Council held on 2-8-1947 to consider this subject only thirteen members were present including the President Out of them only seven voted for the proposition of limiting the term to one year, one member being neutral and four having voted against Though the resolution was carried through, I consider that the resolution does not express the opinion of the majority of the Councillors. I have therefore recommended that limiting of the period of the Vice President to one year is not necessary
